

Multimedia

A large, high-resolution photograph of the lunar surface. In the lower right, a boot print from an Apollo moon landing is clearly visible, showing the tread pattern on the sole. The surface is covered in small rocks and dust. The text "NASA Images" is overlaid on the left side of the image.

NASA Images

NASA has always told its story through its images, a few of which have become icons of human history.

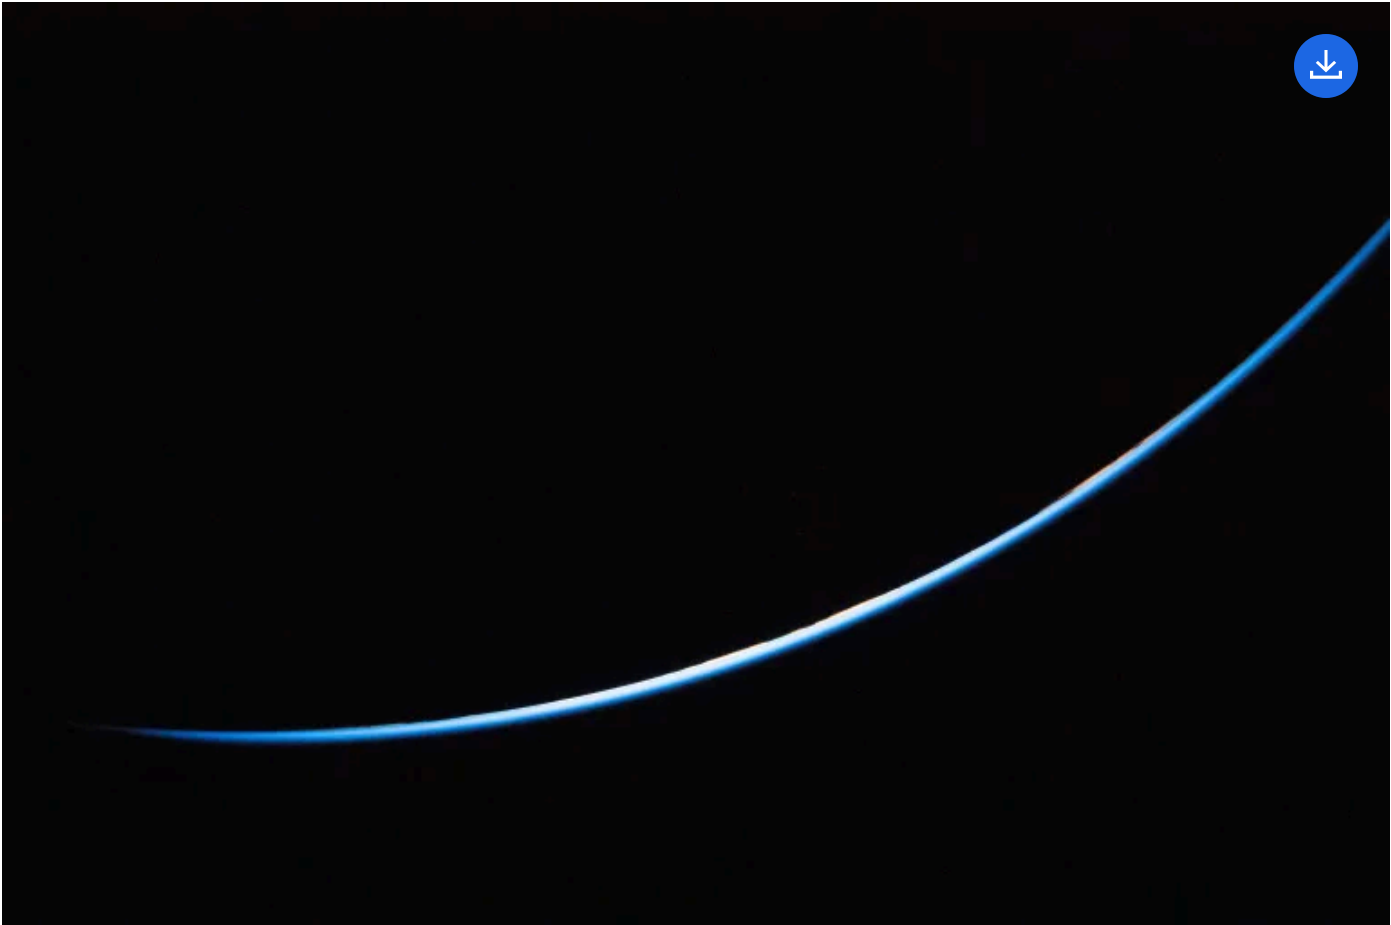

TODAY

Image Of The Day

A Light in the Dark

A sliver of the edge of Earth is brightly illuminated against the vast darkness of space.
